WHO WE ARE

Apparel buying house and sourcing agent

Impel Fashion is a trusted apparel buying house and sourcing agent based in Bangladesh, dedicated to connecting global fashion brands with reliable garment manufacturers. Since 2005, we have been providing end-to-end sourcing solutions for ready-made garments, knitwear, woven apparel, sweaters, and kidswear.

With extensive industry knowledge and a strong network of certified manufacturing partners, we help international buyers source high-quality products while ensuring competitive pricing, ethical production, strict quality control, and on-time delivery.

At Impel Fashion, we don't simply source garments—we build long-term partnerships based on trust, transparency, and consistent performance.

INTRODUCTION

Bangladesh is one of the world's leading apparel manufacturing hubs, supplying garments to renowned international fashion brands across Europe, North America, and other global markets.

Impel Fashion serves as a reliable bridge between international buyers and Bangladesh's certified garment manufacturers. We simplify the sourcing process by managing product development, factory selection, material sourcing, production monitoring, quality assurance, compliance verification, and shipment coordination.

Our experienced merchandising, quality assurance, and sourcing teams work closely with both buyers and factories to ensure every order meets international standards from sampling to final shipment.

Whether you are an established fashion retailer, importer, wholesaler, or an emerging clothing brand, Impel Fashion provides a dependable sourcing solution tailored to your business needs.

OUR MISSION

Our mission is to deliver the best sourcing solutions for foreign apparel buyers through competitive pricing, flexible MOQs, efficient sample development, and reliable manufacturing partnerships. We are committed to consistent quality, full compliance, strong logistics support, and on-time delivery, enabling our buyers to source with confidence and speed.

OUR VISION

To become one of Bangladesh's most trusted and internationally recognized apparel buying houses by delivering exceptional sourcing services, fostering long-term partnerships, and creating sustainable value for clients, manufacturing partners, and the global apparel industry.

We envision a future where Impel Fashion is the preferred sourcing partner for brands seeking quality, reliability, innovation, and responsible manufacturing.

OUR CORE VALUES

- Buyer-centric partnership and market-driven solutions
- Integrity, transparency, and ethical business practices
- Speed and agility with disciplined execution
- Consistent quality and strict compliance standards
- On-time delivery and dependable supply chain management
- Responsible sourcing and long-term sustainability focus
- Continuous improvement and performance excellence

OUR SERVICES

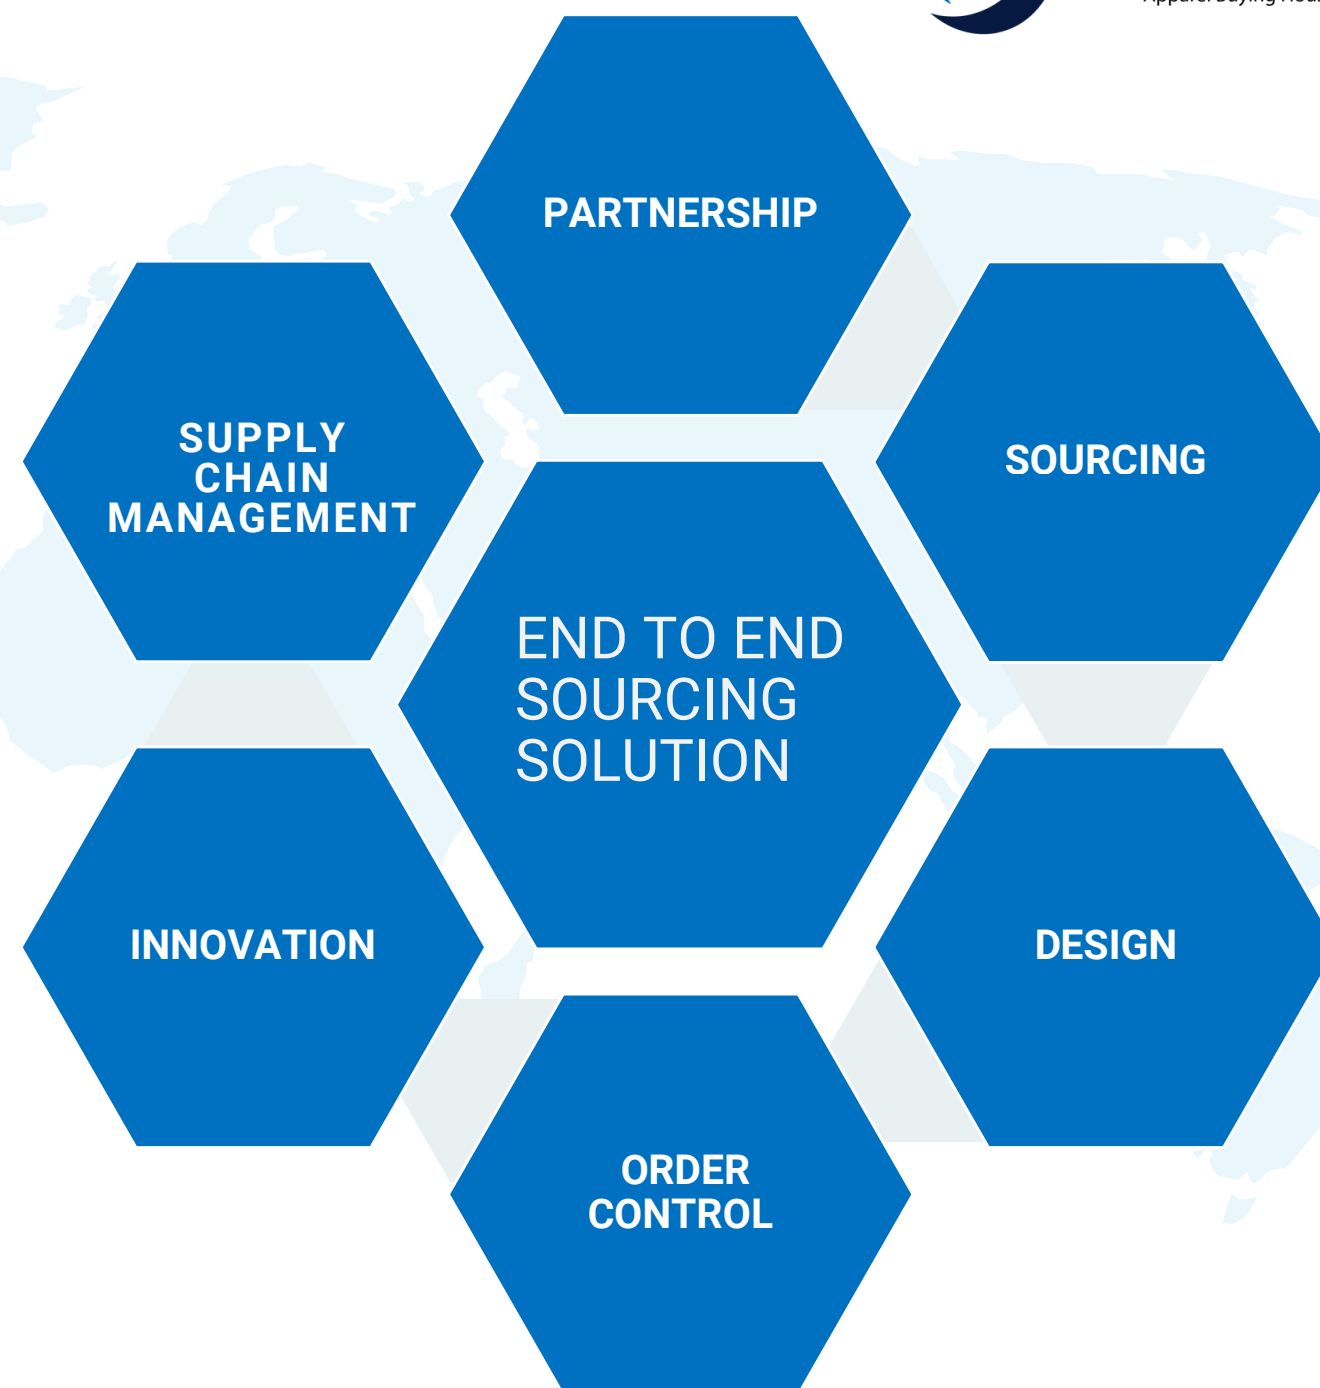

We provide end-to-end apparel sourcing solutions for international buyers. Our services include product development and sampling based on buyer briefs, tech packs, and market direction with accurate costing support. We manage sourcing and vendor coordination with compliant knit, woven, and sweater manufacturers offering competitive pricing and flexible MOQs. Our merchandising team handles complete order management through structured planning and continuous production follow-up. We ensure strict quality assurance and compliance through multi-stage inspections and testing. With hands-on production monitoring and logistics coordination, we deliver consistent quality and on-time shipment from development to final delivery.
